Dear Parents and Carers,

This week in assembly, as part of our eco-schools mission we introduced our litter-picking initiative. 2 children in each year group will be given a litter picker and a high vis jacket to take home for the weekend. It has been suggested they might litter-pick around the park or anywhere near where they live where they perceive there to be a litter problem.

Though we will talk to the children about the safety aspects of litter picking in school, it is the responsibility of parents and carers to ensure the safety of the children when they are litter-picking.

We are impressed with the children's enthusiasm for this initiative and thank you for your continued support.
