Magic Mile Fun Run

Following the success of The Magic Mile at previous years' summer fairs, we have decided to involve the whole school in a fun run event!

This will take place in school time, on the usual PE day for your child's class in the week commencing 25th June.

Each class will be given 30 minutes to see how many laps each child can complete.

Children can choose to run as fast as they can, do as many laps as they can, walk with a friend or do a combination of both.

The main thing is they have fun being active!

Your child can be sponsored for the event and the form is attached or you may make a voluntary donation for participation on Arbor if you can.

All participants will receive an ice lolly at the end of their run.

Medals will be allocated to children who complete the most laps and children who raise the most funds.

We are looking forward to seeing how many laps each class can complete and how many we can achieve as a whole school!

Thank you for your continued support!
