

Ashlands Primary School

Strategic Plan 2023-2026

Our Vision

Every child has the right to shine.

Our Values

We believe every Ashlander has the 'Right to Shine' and that it is our duty to give each and every child in our care a variety of rich experiences and purposeful learning opportunities that allow them to shine. Encouraging them to grow and develop into the very best version of themselves.

*At Ashlands we ensure every child has every opportunity to SHINE. We strongly believe that through nurture and **active learning** we can support all children to achieve well. We are ambitious for all of our children and plan for their success.*

Ashlands will provide every child with a safe environment to learn and a variety of opportunities to develop knowledge, skills and understanding to make their way and contribute to our society.

*Children leave Ashlands as **successful communicators**. They will understand the importance of being curious, resilient and enquiring learners.*

Learning at Ashlands is dynamic, creative, engaging and broad providing every child with exposure to a wide variety of opportunities, keeping the child's experience at the heart of everything that we do.

*Ashlands Primary school will play its part in helping all learners to become members of a welcoming and cohesive community. A community who celebrates each other's differences and plan for activities that allow our children to be **considerate citizens** of our global community*

Ashlands Primary School

Strategic Plan 2023-2026

Achievement for all

- We are ambitious for all children to achieve to the very best of their abilities
- We aim to provide learning opportunities that allow all children to discover and explore their ambitions and fulfil their potential, whatever these may be
- We teach our children to be **successful communicators** and prepare them for the next stage of their learning journey.

Exceptional Teaching & Learning

- We inspire a love of learning by offering a stimulating, engaging and rich curriculum
- Our curriculum is progressive and children are able to articulate their learning
- Our children understand the importance of being **active learners**; they are curious, resilient and enquiring
- We provide effective professional development for all staff to support them to continuously improve
- We offer a wide variety of memorable, extracurricular activities.

A Safe Environment

- We respect our differences and are accepting of others
- We have consistent high standards for behaviour across the school
- Our children and staff feel happy and safe in school.

At the Heart of the Community

- Our children are **considerate citizens** who care about the world they live in.
- We maintain strong relationships with our parents and carers to create a cohesive school community
- We collaborate with other local schools to share expertise and best practice
- We plan and participate in a variety of community events to enrich the lives of our families and children.

Financial Sustainability

- We identify new revenue streams to support the financial security of the school
- We work to achieve value for money in the best interest of the school community
- We actively promote the school to optimise the budget and to maximise impact on teaching and learning.
