School Gates

The school bell goes at 8:55am, can we please ask that children are in the playground ready to go into school at this time.

From Monday 22nd January if you arrive after 9am, you will need to take your child to be registered at the main office rather than the classroom; this is because learning has started. Also, whilst we fully understand that there are occasions when information needs to be shared at the start of the day, can we politely request that wherever possible you use the end of the school day to do this.
