

Register of Interests of Current Governors serving, and those who have served at any point in the last 12 months, on the Board of Governors at Ashlands Primary School September 2024

Information should be **readily accessible** which means that the information should be on a webpage without the need to download or open a separate document. The register will need to be reviewed annually, but governors are reminded that they should declare any changes as and when they occur.

Governors are reminded that completion of this form does not remove the requirement upon them to disclose orally any interest at any specific meeting and to leave the meeting for that agenda item.
