

In our Phonics Scheme, 'Read, Write Inc', a **red word** is a word that cannot be blended phonetically - for example 'the', 'go', 'my'. We are reinforcing these words with the children through our daily phonics and reading sessions. One **red word** will be our 'password of the day' and is displayed in the classroom. We practise reading and writing the words and have fun recognising them through treasure hunt games outside and hunting for them in our reading books.

We would really appreciate your support with the children's learning of these important words. Knowing them gives the children confidence with both their reading and writing.

Each child will bring home a bookmark with the **red words** we are currently focusing on.
