

Homework

Year 5

Summer 2: Learning opportunities: Hostile Earth

Here are a variety of OPTIONAL activities which you may wish to do with your child out of school to support and extend their learning in school. This page is designed to help families to 'Enjoy Learning Together at Home'. However, if your child would like to share any of these tasks with us, we'd be delighted to see their work.

<u>Spelling:</u>	<u>Maths:</u>	<u>Writing:</u>	<u>Reading:</u>	<u>Computing:</u>
Practise the Year3/4 and Year 5/6 statutory word lists, using games that we have learnt in school.	You could help your child at home by allowing them to play on TT rockstars. This will help them with the fluency of their timetables. Hit the Button - Quick fire maths practise for 6-11 year olds (topmarks.co.uk) Prodigy Maths	Have a go at writing a desert poem; think about the weather or the animals that live there. Handwriting practise using Letterjoin on-line	Encourage your child to read regularly at home. Support them with their reading by asking questions about what they have read. Visit the library and read a non-chronological book about animals that you might find in the desert.	You could help your child to develop their touch-typing skills by enjoying BBC dance mat typing BBC Bitesize

This term we are learning about life in the desert. The children will investigate hot desert biomes. They will learn about the physical features of a desert and understand how humans interact with this environment. Here are some ideas if you wish to carry out a mini-project on an aspect of this...

Learn to draw desert animals using a step-step-tutorial

Produce a desert animal factfile or powerpoint presentation to share with the class.

Create your own shoebox desert biome.

PE - if we are fortunate to enjoy some warm, sunny evenings, practise your map-reading skills on the Moor or take your tennis racket to the park and have a knock around

Please remember the grid is optional
